

*Jesus Wants*  
**A FULL TABLE**

# DELAYED GRATIFICATION

# GAIN THE WORLD?

We spend far too much time looking at temporary things. That is exactly what Satan wants you to do: Ignore reality. Ignore eternity. Doubt the things that God says are true and significant. The devil bombards you with temporary issues. He is trying to make you love things that don't last. How is he doing?

# UPWARD MOBILITY

Is it wrong to enjoy life on earth? Money? Possessions? Pleasure?

"Don't confuse the kingdoms. The kingdom that we are building is an eternal kingdom, not an earthly kingdom."

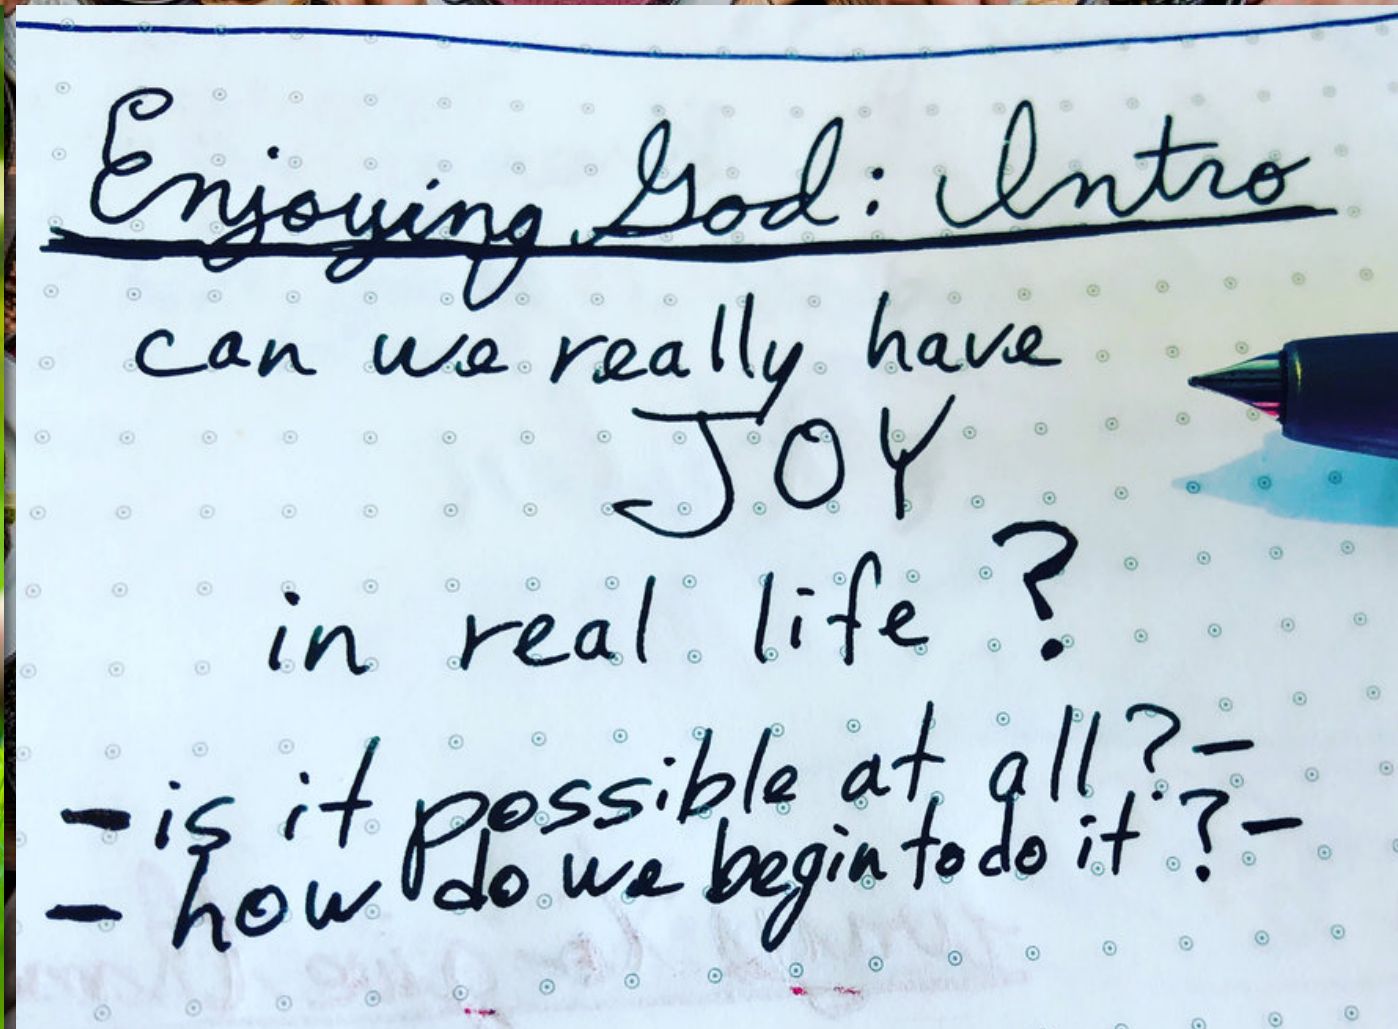

~ Alistair Begg ~

# DIVINE ENJOYMENT

What are some things God gives us for our enjoyment?

# MEGA FEAST

Who would want to miss out on a party like that?

"IF SATAN  
CANNOT HAVE  
YOUR HEART,  
HE'LL DO HIS  
BEST TO  
DISTRACT IT."

# A FULL TABLE

Why does the Master want a full table?

- What areas could I be delaying gratification in?
- What temporary things may be distracting me from what's best?
- What does it mean to build God's Kingdom?
- What am I doing to build God's Kingdom?
- What are some good things that you could spend time thanking God for?
- Who can you invite into your life that will help fill God's table?
