

**FEWER FENCES  
BIGGER TABLES**

# OPEN HOME POLICY

# FEWER FENCES, BIGGER TABLES

A group of diverse people are seated around a long wooden table outdoors at night. The table is set with white plates, glasses of wine, and small appetizers. The background is softly lit with warm, bokeh lights, suggesting an evening dining setting. The overall atmosphere is relaxed and social.

**When you have more  
than you need, build  
a longer table, not  
a higher fence**
